

3rd Molesey (Matravers) Scout Group

Permission For Photos To Be Used On 3rd Molesey (Matravers) Scout Group Website

Dear Parents,

Many of you will have already found and explored the new 3rd Molesey Scout Website at <http://www.3rdmoleseyscouts.org.uk> . This is a new venture for the Group which we hope will promote Scouting in the local community and serve as a valuable source of information to parents, friends, family and all members of the Scout Group.

As part of the website content we have included some photo galleries to show the types of activities in which members of the Scout Group partake. Photographs are an excellent way of promoting the good work of the Group and we would like this to continue. In the last few years, a growing number of Scout Groups across the country have produced websites and the Scout Association has recently updated its policies and rules to cover these new sites. As a result, Scout Group website administrators are now required to seek the written permission from parents to display photographs of any member of the Scout association who is under 18 years of age. These measures are designed to help protect the safety of our young members.

If you agree to allow your child to appear on our website as part of news articles and photo galleries showing Scouting activities, we would be grateful if you could complete and return the attached form to your section leaders. In accordance with the guidelines from the Scout Association we will not print names of the children next to the photographs, ensuring that our young members cannot be identified by a viewer of the website who does not already know their name. Occasionally we may also wish to send photos to the District / County / National Scouting teams to publicise Scouting in newsletters and other Scouting publications.

If you have any questions, please do not hesitate to contact us by speaking to your section leaders or by e-mailing us at webmaster@3rdmoleseyscouts.org.uk .
