

Are You Changing The Ink Cartridge Or Toner On This Printer?

If so, you can easily contribute to the funds of a charity!!

The 3rd Molesey Scout Group is collecting empty printer cartridges to earn money to help the young people in the local community. Scout groups are voluntary, un-funded organisations which need your help to survive.

To help us, please wrap the empty cartridge in its original packaging and hand it to the following person in this office:

.....

The cartridge will then be taken to the Scout group where it can earn money for the benefit of children in your community.

You can find out more ways to help our Scout group by visiting <http://www.3rdmoleseyscouts.org.uk> and learn about the good work that we do for young people in the local area. If you have more fundraising ideas for the group please contact us by sending an e-mail to fundraising@3rdmoleseyscouts.org.uk .

Thank you for your support!
